NEXT FUNCTION: ____________________________________________________ (MENU,KEYS,END)
```

Purpose:

To view employee dependent care reimbursement account claims processing information.

Security Access Requirements:

Yes
Record access is limited to the user's area or department. Office of Human Resources (OHR) approval must be given.

To use IDCP from any IBIS Function Screen:

At **"NEXT FUNCTION:"** key in **IDCP** and the SSN of the employee desired; press **ENTER**. The **IDCP** screen containing the selected employee's dependent care reimbursement claims processing data will be displayed.

Example:

NEXT FUNCTION: IDCP 111223333

At **"Next SSN:"** key in another employee's SSN; press **ENTER**. The **IDCP** screen containing the next selected employee's dependent care reimbursement claims processing data will then be displayed.

Example:
NEXT SSN: 111223334

> Note:
If the SSN is not known, use the BALU function (Browse by name) to identify it.
