

How can I learn more about eLion?

- Click on the *eLion Demo* link in the “information” section of the eLion home page. The Students, Advisers, Faculty, and Parent/Other sections of the demo contain examples based on actual eLion applications.
- Questions about a specific eLion application or page? Click on the *contact us* link located at the bottom of the respective page.
- General questions or comments about eLion? Send e-mail to: AIS-Support@psu.edu.
- For additional information, please visit the *About eLion* section on the eLion home page.

Visit eLion at
eLion.psu.edu

What do I need in order to use eLion?

- A compatible Web browser (click on *Browser Compatibility* at the bottom of the eLion home page for more information)
- For students, advisers, and faculty: a Penn State Access Account
- For parents/others: a Friends of Penn State (FPS) account or Penn State Access Account
- For prospective students: no login is required

For more information, go to the eLion home page and click on the *FAQs* link.

eLion is a cooperative effort of the Division of Undergraduate Studies, Information Technology Services, the Office of the Bursar, the Office of Student Aid, and the Office of the University Registrar.

This publication is available in alternative media upon request.

Penn State is committed to affirmative action, equal opportunity, and the diversity of its workforce.

U.Ed. ITS 08-1003

What is Penn State's eLion?

eLion is a Web-based system for students, faculty, advisers, parents, and others that provides secure, real-time access to academic records and processes.
